Service Record

All service hours for community, parish, and school must be entered on this Service Record. 100 or more combined service hours are required between August 15, 2016 and August 15, 2018 to be eligible for this scholarship. See Qualifying Service Guidelines for specific details and other examples of qualifying service.

Detailed descriptions of your service with specific dates strengthen your application and are more helpful to the review committee than general descriptions. It is **okay** to group hours, but list all dates and **total** hours **per** day. (Example: Andre House, **s**erve dinner **and** clean up, 3 **hours per** day, 3/4/16, 4/1/16, 5/6/16 = 9 hours)
